# Trust Consulting Services Honored with 2023 Nunn-Perry Award

**Washington, D.C.**  
**July 10, 2024**

Trust Consulting Services is proud to announce that our Mentor-Protégé Agreement with Global Resource Solutions, Inc. has been selected for the prestigious 2023 Nunn-Perry Award by the Department of Defense (DoD) Mentor Protégé Program. This award recognizes outstanding performance and commitment to excellence in providing products and services to our warfighters.

The Nunn-Perry Award celebrates the achievements of Mentor-Protégé teams that have made significant contributions to the Department's Industrial Base and Technology Transfer. The collaboration between Trust Consulting Services, Global Resource Solutions, Inc., and the assistance from Southern University has been instrumental in achieving this recognition.

The award will be presented on Thursday, August 1, 2024, during the 2024 Mentor Protégé Summit in Detroit, MI. This event will honor the exceptional accomplishments under this agreement and acknowledge the dedication and hard work of all participants involved.

"We are incredibly proud to receive this award," said Mr. Shehan Goonewardene of Global Resource Solutions, Inc. "Our partnership with Trust Consulting Services has been a driving force in our success, and this recognition is a testament to our collective efforts and commitment to excellence."

Ms. Kasey Diaz, Director of the Mentor-Protégé Program at the Office of Small Business Programs, extended her congratulations to the team, highlighting their superb performance and impact during FY23.

Trust Consulting Services invites all stakeholders to join us in celebrating this achievement at the 2024 Mentor Protégé Summit.
